

In Abraham's old age, he sent out a servant to find a wife for Isaac. Told the servant to look in a specific land. The servant went to the land he was assigned to look for her in and prayed this prayer.

Gen 24:12-14 NIV

"Then he prayed, 'Lord, God of my master Abraham, make me successful today, and show kindness to my master Abraham. See, I am standing beside this spring, and the daughters of the townspeople are coming out to draw water. May it be that when I say to a young woman, 'Please let down your jar that I may have a drink,' and she says, 'Drink, and I'll water your camels too'—let her be the one you have chosen for your servant Isaac. By this I will know that you have shown kindness to my master.'"

Look at how specific this servant was. He asked God for something very specific so that he knew it was God who was at work and directing him. Now look at God's response.

Gen 24:15a NIV

*"**Before he had finished praying,** Rebekah came out with her jar on her shoulder."*

Before he finished praying!!

God heard and answered this unnamed servant. This simple man.

How often do our prayers look like this? How often are we praying this specifically so that we can be sure we are being directed by God?

Pursue God specifically.

Pray specific prayers!!!

Look and listen for Him in specific ways.

After all, He's listening to you and willing to answer before you're even finished praying.
