

1 John 3:1a NIV

"See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!"

God loves you!

He knows you **totally and completely**

and He loves you **totally and completely!!!**

He loves you with all your **failures** and **flaws**.

All the parts of you that you don't like,
everything you're ashamed of,

none of it deters the Lord from wanting to adopt you into His family.

None of it **stops His love!!!**

If you accept Him, love Him, accept who Jesus was and is, THEN YOU ARE GOD'S CHILD!!!!

He cannot love you any more than He already loves you!

You're precious and special and you are loved!!
