

Gratitude Groups Discussion Questions – Week 2

Ice Breaker: Think about a situation where initially you didn't see many ways to be grateful, but over the course of time you began to see the ways in which God was at work. Share about this situation and how you can look back and be grateful for it now.

Take a few minutes and ask everyone to share their responses from the following Gratitude Journal items from the past week:

1. What are a few of the simple (or small) things in life you have been grateful for this week?
2. Which co-worker (current or former) did you reach out to this week? How did they respond?
3. How have you seen God at work this week?

Take a few minutes and lead the group through these discussion questions related to Sunday's sermon:

1. What portion of Pastor Tito's sermon from Luke 17 spoke most directly to you? Share responses with the group.
2. Was there a situation/personal experience (past or present) that relates to Sunday's sermon? If so, share with the group.
3. As you look forward to the week ahead, what are a few specific ways you can apply Sunday's sermon to your life?
4. In looking back over the past two weeks, what has God taught you most about "Living Gratefully?"

Take a few minutes and ask the group to share both something they are grateful/thankful for that they can praise God for and something on their heart that they would like the group to lift up in prayer.
